

J SAI DESAI

Puttaparthi, Andhra Pradesh | linkedin.com/in/techiejd

Business Technology Architect & Strategic Leader

Over 15 years of experience engineering high-performance digital ecosystems. Specializing in Technical Strategy, DevOps, and Fullstack Development with a focus on Conscious AI Integration. I bridge the gap between complex technical requirements and business objectives to deliver agile, transparent, and ethical solutions.

PROFESSIONAL EXPERIENCE

DevOps Engineer

Sri Sathya Sai Media Centre

Jun 2022 – Present

- Managing high-availability digital infrastructure and cloud ecosystems for global media dissemination.
- Implementing robust CI/CD pipelines and automated deployment strategies.
- Overseeing system security, server health monitoring, and database administration.

Full-stack Developer & IT Consultant

Dreamz Developers

Apr 2014 – Present

- Providing strategic technical consultancy and business analysis for diverse digital projects.
- Leading end-to-end web development cycles, encompassing both frontend and backend architectures.
- Orchestrating digital marketing strategies including SEO/SEM and high-impact email campaigns.

Web Security & Management (Freelance)

Pacer Studios (Project: HCS Bank, Pennsylvania)

Jan 2016 – Jan 2018

- Maintained and secured financial institution web platforms, performing critical bug testing and malicious code audits.
- Managed daily log monitoring and reporting protocols for bank administrative staff.
- Ensured 24/7 uptime and integrity for sensitive banking web services.

Web Master & Digital Marketer

Harmony Multimedia Pvt. Ltd

Jul 2012 – Jan 2014

- Developed comprehensive brand strategies and statistical tracking systems to drive web traffic growth.
- Designed and implemented responsive web user interfaces and advertising revenue models.
